*The Children and Families Bill underpins wider reforms to ensure all children and young people can succeed, no matter what their background. The Bill will reform the systems for adoption, looked after children, family justice and special educational needs.*

*The Government is transforming the system for children and young people with special educational needs (SEN), including those who are disabled, so that services consistently support the best outcomes for them.*

*This document outlines our School Offer and the SEN Information required as stated in the SEN Code of Practice.*

### **How does St Joseph the Worker Catholic Primary School know if children need extra help?**

*We know when pupils need extra help if:*

- ❖ concerns are raised by parents/carers, teachers or the child*
- ❖ limited progress is being made and targeted teaching has not met the child's needs*
- ❖ there is a change in the pupil's behaviour or rate of progress*

## **What should I do if I think my child may have special educational needs?**

- ❖ *The class teacher is the initial point of contact for responding to parental concerns. The class teacher will raise your concerns with the school SENDCO Mrs. Sisk*
- ❖ *If you wish to discuss your concerns in further detail, you can make an appointment to speak to Mrs. Sisk at the school office.*

## **How will St Joseph the Worker Catholic Primary School support my child?**

- ❖ *If a child has been identified as having a special need, they will be given Personal Provision Plan (PPP). Initially each pupil's PPP will be planned by the class teacher. In order to access the curriculum at the appropriate level, it will be differentiated accordingly to suit the pupil's individual needs. This may include additional general support by the teacher or teaching assistant in class. Targets will be set according to their area of need. These will be monitored by the class teacher weekly and by the SENDCO three times per year. PPP's will either be discussed with parents at Parents' Evenings or through a review with all involved agencies. Parents will be provided with a copy of their child's PPP.*
- ❖ *If appropriate specialist equipment may be given to the pupil e.g. writing slopes, concentration cushions, pen/pencils grips or easy to use scissors.*
- ❖ *If a pupil has needs related to more specific areas of their education, such as spelling, handwriting, numeracy & literacy skills etc. then the pupil may be placed in a small focus group. At Wave 2 this will be run by the teacher or teaching assistant. The length of time of the intervention will vary according to need. The interventions will be regularly reviewed by all involved to ascertain the effectiveness of the provision and to inform future planning.  
These interventions will be recorded on the class provision map (this is a record of the interventions). If you have any queries related to the interventions please do not hesitate to contact the class teacher or SENDCO.*
- ❖ *Pupil Progress Meetings are held each term. This is a meeting where the class teacher meets with the Senior Leadership Team to discuss the progress of the pupils in their class. This shared discussion may highlight any potential problems in order for further support to be planned.*
- ❖ *Occasionally a pupil may need more expert support from an outside agency such as the Educational Psychologist, Speech & Language Therapy Team, Community Paediatrician etc. A referral will be made, with your consent and forwarded to the most appropriate agency. After a series of assessments, a programme of support is usually provided to the school and parents/carers.*

responsible for entrusting a named person, Mrs J Staunton, to monitor the provision for Special Educational Needs. She is responsible for:
