

PE sports premium spending 2015 - 2016 - £8859

Amount	Action	Why?	Impact
£950	SLA	To ensure pupils have access to high quality coaching and sports competitions and festivals.	Increased participation in sporting activities. Pupils enjoy after school clubs and more pupils are participating in physical activity more regularly. More pupils took part in competitive sport
£5655	Employ coaches	To develop after school / lunchtime physical activity provision. To work alongside staff on a weekly basis to develop their skills and share ideas	Innovative ideas brought to PE lessons. Additional after-school / lunchtime sporting activities available. More pupils became physically active.
£2050	Additional swimming lessons for KS2 non-swimmers. TA additional hours to supervise children to and from the leisure centre	To ensure all children leave KS2 as swimmers	Pre-learning sessions develop children's confidence in smaller groups before whole class sessions.  90% of our pupils left KS2 as swimmers (100% is our target!)
£230	TA additional hours to deliver 'Change for Life' sessions	To target less active children and encourage physical activity and healthy eating	Pupils developed an awareness of healthy food options and the importance of physical activity to stay healthy. They begin making healthier snack choices.

£770	Gymnastics specialist teaching - Beth Tweddle's gymnastic school	To provide specialist teaching to children in years 2 and 3 on a weekly basis (SPRING TERM) To inspire children to reach for the stars	100% of Year 2 and Year 3 children achieved age related expectations in gymnastics
£210	Purchase resources / PE equipment	To improve PE equipment to enable staff to deliver high quality lessons	Children have a more enriched learning experience with a wider variety of sport / games planned for. Improved provision. For all classes.  Pupil voice - 95% of our pupils enjoy PE lessons
£1178	IM Marsh - Specialist outdoor /adventurous activities (Summer term 2016)	To provide a quality provision for outdoor / adventurous activities	4.8% of KS2 children at ARE or above in outdoor adventure
