A loving Christian family striving to achieve excellence.

Dear Parents,

Thankyou for your support and cooperation during the window installation, the project is nearly complete and we are really pleased with the results. We anticipate disruption for a maximum of two weeks and then we will be fully prepared for the winter months!

Remembrance Month

In November we remember those people who have died and we say special prayers for them. In our school hall we have a remembrance tree, for a small donation of 10p the children can buy a leaf for a loved one who has passed away to add to the tree. All donations will be donated to the Royal British legion.
