Infants: Year 1

Juniors: Year 5

Dates for your Diary

For this academic year we have been lucky to be given some external funding so will be running the club at a reduced cost of £1.

Updated contact information

All children have been given a P9 contact form, please ensure you return your form, this is particularly important for when we need to contact you in an emergency or if your child requires medical treatment.

School App

As many parents are aware we now provide up to date communication through our school App. From March next year we will no longer be providing the texting service. All information will be sent out on the school App and put on the school website. If you need information about how to download the school App please contact the office.

School Uniform

Just a polite reminder that neither trainers nor Converse are classed as school shoes. Letters will be sent home with individual children who persistently come to school without the required school uniform/footwear.

Our PE kit is a gold or yellow t-shirt, navy blue shorts and pumps, PE kits must be in school for the children to access PE lessons. Please ensure names are in the children's clothing to ensure that when they are changed for PE, children's uniforms are not mixed up.

Health advice

Our School Nurse is holding a school health drop-in session on Mon 24th at 9.15am, if you would like any advice about your child please call in to see her.

Car Park

The situation in the carpark has improved, thank you to those who have responded in a respectful manner. We are still having issues with individuals parking in the disabled bays and taxis blocking other cars. Mr Poole will continue to monitor the area to ensure the safety of all in our school community.
