Monday 22 nd February	<p align="center"><u>Written methods</u> Pages 18 – 21 https://whiterosemaths.com/homelearning/year-4/week-1-number-multiplication-division/</p>		<p align="center">To write the appearance paragraph of a non-chronological report https://classroom.thenational.academy/lessons/to-write-the-appearance-paragraph-of-a-non-chronological-report-cmv34r</p> <p>Recap – Many of you will have already completed this lesson. Please re-watch the video and edit your paragraph. Remember when we are editing we look for spelling errors, missing capital letters, full stops and important punctuation. In addition to this, editing is a great way for us to up level our writing. Can you challenge yourself to add the following into your paragraph?</p> <table border="1" data-bbox="1070 724 1704 847"> <tr><td align="center">Can you add ...</td></tr> <tr><td align="center">An expanded noun phrase?</td></tr> <tr><td align="center">Fronted adverbial?</td></tr> <tr><td align="center">List with commas?</td></tr> </table>	Can you add ...	An expanded noun phrase?	Fronted adverbial?	List with commas?	<p>Come and See – Giving and receiving</p> <p>Spend some time listening to Jack Johnson’s The Sharing Song. This song is about giving and receiving and sharing with others. Read the lyrics and spend some time thinking about what this song means to you. https://www.youtube.com/watch?v=lVY0RKZZPuc</p> <p>Once you have listened to the song, create your own storyboard which shows how important sharing, giving and receiving is at home, in class or in the community. You may want to show how giving and receiving makes us feel.</p> <p>An example storyboard can be found here https://drive.google.com/file/d/1B_6yyhf0oqJzsCA9pquTclpyTkqUTpLI/view?usp=sharing</p>
