

EAL EASTER NEWSLETTER

After a busy few weeks back at school, and Easter almost upon us, it's time to enjoy the weather outdoors with family and friends and look forward to new beginnings.

Easter Sunday 4th April

Easter is the biggest celebration in the Christian calendar. It celebrates the resurrection of Jesus Christ when he rose from the dead. Christians celebrate by going to church and giving each other Easter eggs. The date of Easter changes according to the first full moon of spring. That is why it is called a 'moveable feast'. More information for Foundation/KS1 - <https://www.bbc.co.uk/cbeebies/watch/lets-celebrate-easter?collection=lets-celebrate-celebrations>

The feast of Holi 28th -29th March

We also celebrate a Hindu festival, The feast of Holi. This feast is celebrated in India and Nepal. It is now recognised globally as the 'Festival of Colours', the 'Festival of Spring' or the 'Festival of Love'. One of the main parts of Holi is the throwing of coloured paint – celebration of good over evil and the arrival of spring.

Suggested activities during Easter

LIVERPOOL BIENNIAL OF CONTEMPORARY ART - The exhibition will take place across the city from 20th March - 6th June 2021. Liverpool Biennial Installation will showcase incredible works in galleries, museums and public places across the city. Can you find out what the difference is between 'biennial' and 'biannual'? **To find out more check out - www.biennial.com**

EASTER EGG HUNT – Hide eggs indoors or outside and see how many you can find.

Have an eggcellent time!
