REMEMBRANCE SUNDAY Sun 14th 10.00 am Paul

Mass Intentions received this week: Terence McKenna, Sandra Harris, Carmen Gonzalez, Deceased Sisters DHM, Tracey Nolan, Colette Martin, Mary & Anthony McHale, Mary Joyce McHale, Antoinette Matthews, Fr Bill Naylor MHM, Mgr. Canon Jim Cummins, Mgr. Canon Peter Cookson Fr Trevor Cotter

Traditionally November is a special month of devotions and prayers for all those who have died; that our prayers will help them on their continuing journey back to God and to their place in heaven. Their continuing prayers for us help us on our journey through life here on earth too. One Mass will be celebrated each week for those named on the November Dead Lists you place in the box at the back of Church. 100 Families have been invited by letter to Memorial Masses for those whose funerals occurred over the last two years.

St Joseph & St Laurence's Parish Centre –

Elaine and staff would like to welcome back all our customers, old and new.

NEXT Saturday Entertainment nights, plus game of Bingo

13th November Duncan Heather - SINGER

All welcome! & Lounge open every week. Thur/Fri/Sat 7.30 pm & Sun 12.30pm

07377341977 to book future functions for all days of the week & any enquiries

(Week 86 of Covid-19 UK restrictions)

Angelus Prayer (Especially @ 12 noon and 6pm)

The Angel of the Lord declared unto Mary.

And she conceived by the Holy Spirit. (Hail Mary....)

Behold the handmaid of the Lord.

Be it done unto me according to thy word. (Hail Mary....)

And the Word was made Flesh. And dwelt among us. (Hail Mary....)

Pray for us, O Holy Mother of God.

That we may be made worthy of the promises of Christ.

Pour forth, we beseech Thee, O Lord, Thy grace into our hearts;

that, we to whom the Incarnation of Christ, Thy Son,

was made known by the message of an Angel,

may by His Passion and Cross, be brought to the glory of His Resurrection, through the same Christ our Lord. Amen.

Each of our local parish schools, All Saints Catholic High, St Joseph the Worker and St Laurence's Primary schools are now back from holiday. I would like to again thank our three Head Teachers and Governors, the children and their families for all their efforts to keep schools open, despite higher local infection rates in school age children.

Year 5 children and their households have now been invited to attend weekend Masses, **EVERY WEEK**, either Friday 7pm, or Saturday 10am, or Saturday 7pm Masses, as part of their family preparation and the deepening of their faith, before receiving Jesus for the first time in Holy Communion in January 2022. **PLUS their next meeting is in two weeks time.**

*Our **HOME-CHURCH-SCHOOL** links, each support and build up the parish family, as we recognise and celebrate being part of something bigger; the visible Body of Christ; the gathered community; this is what CHURCH is really all about- we are the People of God- mainly lay people, with religious, the deacons, priests, bishops, altogether across our archdiocese of Liverpool- making up part of the world-wide family of the Church, gathered by God the Father, under His Son, the Word of God and with the Holy Spirit joined with the Pope, in prayer.*

The Parish Newsletters can be found on the school websites each week: St Joseph the Worker Primary School, or St Laurence's Primary School, under 'Our Catholic Life' or 'Our Faith' sections

More information about the Catholic faith is available on-line.

Please join in prayer with the Holy Spirit, for the outcomes of the archdiocesan synod

Across England the average Covid infection rate is still getting worse, with 1 in 50 people now carrying the virus. With the delta variant being more transmissible, three injections are required for best protection. Three injections now seem to protect most from severe illness but will probably only prevent half of the people from being infected and carrying the infection to others. Other variants may still develop that current vaccines are less capable of protecting people. Re/infection of people who have been vaccinated is happening and some of these people will be hospitalised. Higher demands for A&E and beds delays clinics & operations. Larger crowds in-doors are still riskier. Hence due Caution!

The official government guidance for Churches after ceasing all legal restrictions is more complicated than the headlines! Public venue owners still legally need to operate safely. As the PM and the chief advisors have stated, the pandemic has not disappeared and Liverpool City Region public health advice is that there still needs to be **caution** shown for the on-going risks and to keep social distance; all can be infected, some are still vulnerable and particularly those not yet fully vaccinated, with the risks of long-covid and new variants developing-- with larger numbers of new cases each day creating a risk of residual sources of illness and hospitalisation through to the Winter and into next Spring. Knowsley over 12s are currently 67% 2-jabs vaccinated, Liverpool City only 61% 2-jabs vaccinated; both these areas are below the national average of 79% for 2-jabs and we see infections above the national average per 100,000 people, perhaps 1 in 40 local people who are currently carrying the virus to those they mix with. With this being the new reality of living-with Covid, **I request that everyone continue with caution as we have been when they come to church**; this will also minimise 'track and trace' still instructing people to isolate and test or testing positive and isolating. As Knowsley covid rates are high, I have slightly adjusted the seating capacity in Church to fit more people in, whilst still being spaced out. **PLEASE KEEP SPACED, BETWEEN HOUSEHOLD GROUPS.** In these most unusual times, the Church building is still cautiously open for Masses/services, lighting of candles & silent prayer sat in benches before the Blessed Sacrament.

NOW it is still the time to continue to be **cautious**
Especially with people you don't normally mix with.

FACE, SPACE, AND HANDS

AND good ventilation if meeting inside, is still advised.

Staying alert, ISOLATING if symptoms or 'Track & Trace' instruct you,
So as to slow the spread of any infection and new variants,
to break the chains to other people and still protect the NHS and save lives.

All Saints Catholic High: Head: Mr Tony McGuinness. Tel: 477 8740

Our Parish e-mail: sjsl@rcaol.org.uk for any queries/ concerns/volunteers.

We are still being advised to keep down the number of people we mix closely with every day, to minimise the transmission of the virus to those more vulnerable than ourselves. For those who are less vulnerable to serious illness, then personal decisions about how much mixing to have becomes an exercise in managing or mitigating the risks, while still making decisions to socialise and gather together to pray, to work, or to socialise. Many people have experienced being lonely during the previous lockdowns and some haven't felt confident to go out to meet friends as they may have done. The Parish Centre here next to the Church is a social club where people can meet in small table groups, enjoy their company, with music and a drink, in a friendly, relaxed and safe environment, away from the hubbub of town or city centres and the greater cost of taxis, or parking. Can I encourage parishioners to support the parish and support friends, by using the club facilities as another place to safely meet again. The Parish Centre is open for quiet drinks every weekend and is available for functions and entertainment nights too. **I also now give a special invite to any parishioners** who feel comfortable enough, to come on Saturday 27th November from 7.30pm. I have organised a hot and cold buffet and we will enjoy the planned entertainment, have some table-chat and some bingo time thrown in as well! This will be a delayed 'Thank you' from me for my Silver Jubilee earlier in the Summer. **PLEASE COME ALONG** if you feel safe enough to do so.

Pope Francis in his encyclical 'Laudato Si' - 'on the care of our common home', makes clear, that concern and care for people and societies across the world mean Christians and all people of good will, must now consider even more their actions and effects upon other people- near at home and across the other side of the world. Our shared common home, this Earth, part of God's wonderful creation, is being damaged and biodiversity destroyed by human actions. With God's help humans can also become better stewards of creation and bring healing. This growing emergency can seem a long time in the future, with talk of 2050 targets of 'carbon neutrality'. However, small but cumulative actions by individuals and families and communities can show governments that larger scale and international agreements to limit devastating, deteriorating climate change are **now required in 2021** As ever in life it is both think '**small**'- what can **I** do to make a difference and think '**BIG**'- what can **WE** do collectively, internationally to improve lives.
