Bewley Drive, Kirkby, Liverpool, L32 9PF

Phone: 0151 477 8170/3

Dear Parents,

During the week of the 11th November 2019, we will be celebrating 'Maths week' across school. We are looking for volunteers to come to talk to the children about their own careers and how maths is used in their job. If you would be willing to do so please indicate on the form below - including a year group preference (if you have one) and available times during the week. Feel free to bring in relevant objects, photographs, uniforms etc. The talk will be to a whole class and the children may also have questions that they would like to ask you.

In order to assist with timings, it would be helpful if offers of visits could be made as soon as possible. It will be an insightful week - we already have some great things planned! Thank you in advance for your support.

Yours sincerely,

Miss Bradshaw
Deputy Headteacher

.....
Maths week - week beginning 11th November 2019
