

## Life Skills challenge!

Whilst you have lots of time at home, we challenge you to improve your life skills!

Ask a member of your family to help you to learn how to:

Tell the time.  
Tie your shoe laces.  
Do your own school tie.  
Fasten your own buttons .  
Make a sandwich.

You will need to remember our value of 'RESILIENCE'  
and don't give up even if it's difficult!
