Well done! You have completed another week of home learning. Next week, you will be back in the classroom. I am incredibly excited to see you all. Please bring with you the work you have been completing over the last 6 weeks. It is important you bring your answers from your arithmetic test, along with your Maths booklet into school with you on Monday. This will allow me to see which topics we need to practise in class!

Well done Year 4! See you all on Monday!
