Angelus Prayer (Especially @ 12 noon and 6pm)

The Angel of the Lord declared unto Mary.

And she conceived by the Holy Spirit. (Hail Mary....)

Behold the handmaid of the Lord.

Be it done unto me according to thy word. (Hail Mary....)

And the Word was made Flesh. And dwelt among us. (Hail Mary....)

Pray for us, O Holy Mother of God.

That we may be made worthy of the promises of Christ.

Pour forth, we beseech Thee, O Lord, Thy grace into our hearts;

that, we to whom the Incarnation of Christ, Thy Son,

was made known by the message of an Angel,

may by His Passion and Cross, be brought to the glory of His Resurrection, through the same Christ our Lord. Amen.

Each of our local parish schools, All Saints Catholic High, St Joseph the Worker and St Laurence's Primary schools are back working hard. I would like to again thank our three Head Teachers and Governors, the children and their families for all their efforts to keep schools open, despite higher local infection rates in school age children.

Year 5 children and their families have been invited to attend weekend Masses and have had beautiful celebrations where they have received the gift of Holy Communion for their first time. Now with the gift being offered to them every time they come to Mass in future, we come so as to be strengthened by God's gifts, so to LIVE our lives full of faith.

*Our **HOME-CHURCH-SCHOOL** links, each support and build up the parish family, as we recognise and celebrate being part of something bigger; the visible Body of Christ; the gathered community; this is what CHURCH is really all about- we are the People of God- mainly lay people, with religious, the deacons, priests, bishops, altogether across our archdiocese of Liverpool- making up part of the world-wide family of the Church, gathered by God the Father, under His Son, the Word of God and with the Holy Spirit joined with the Pope, in prayer.*

The Parish Newsletters can be found on the school websites each week:

Across England the average Covid infection rate is still high, whilst starting to fall back from the very high numbers, with 1 in 20 carrying the virus to others. **Three injections now seem to protect most people from severe illness, including from the Omicron variant. Recent research suggests the third booster prevents 75% catching the infection. However, 2/3 of those who do get infected are re-infections, still need to isolate and potentially have long covid symptoms and health consequences.** Other variants will still develop that current vaccines may be less capable of protecting people. Re/infection of people who have been vaccinated is happening and some people will still be hospitalised. Higher demands for A&E and beds delay ambulances, clinics & operations. Larger crowds in-doors are still riskier. The official government guidance for Churches is complex! Public venue owners still legally need to operate safely.

There still needs to be some **caution** shown for the on-going risks; all can be infected, some are still vulnerable and particularly those not yet fully vaccinated, the risks of long-covid and new variants developing—with still large numbers of new cases each day creating a risk of residual sources of illness and hospitalisation through the rest of the Winter and into Spring. Knowsley over-12s are currently 76% 2-jabs vaccinated, Liverpool City 71% 2-jabs vaccinated; both these areas are below the national average of 84% for 2-jabs. We still have high rates of infection in Knowsley and with significant numbers of people still not yet vaccinated and boosted, there remains a risk of long-covid even with mild symptoms from infection, and for reinfection to even vaccinated people from those who are currently carrying the virus to those they mix with. With this being the new reality of living-with Covid, **we still need to act with some caution when we come to church**; this will also minimise ‘track and trace’ still instructing people to isolate and test or testing positive and isolating. As Knowsley covid rates are high, you see adjusted seating capacity in Church to fit people in, whilst still allowing good spacing out of the congregation. **PLEASE KEEP SPACED OUT, WITH A TWO BENCH GAP & SPREAD OUT BETWEEN HOUSEHOLD GROUPS.** In these unusual times, the Church building is still cautiously open : Masses, lighting of candles, silent prayer in benches before the Blessed Sacrament.

NOW it is still the time to continue to be **cautious** in Church,

Especially with people you don’t normally mix with
recognising those who are more vulnerable.

FACE, SPACE, AND HANDS

AND good ventilation if meeting inside, is still advised.

Staying alert, ISOLATING if have symptoms, or ‘Track & Trace’ instruct you, to break the chains to other people and protect the NHS and save lives.

WELCOME to everyone at Masses this week and a special welcome to our families whose children are receiving the gift of Jesus, Holy Communion, for their first time.

Remember, even if you have taken down the decorations on Twelfth night, keep your cribs up longer still, or bring them back out of the cupboard again! Traditionally, the Christmas season used to continue up to the 2nd February and the Feast of the Presentation of the baby Jesus in the Temple of Jerusalem; when the Holy Family of Joseph & Mary and the baby Jesus enter the Temple of Jerusalem, the place where God has promised to live in the midst of His people. Jesus, the Word, God-made Flesh and Blood; ‘Emmanuel’; a name which means ‘God is with us.’ Now in Holy Communion, the Body & Blood of Jesus, God is with us.
