Prayer to the Holy Spirit

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.

O, God, who by the light of the Holy Spirit, did instruct the hearts of the faithful, grant that by the same Spirit we may be always truly wise and ever rejoice in His consolations,
Through Christ Our Lord, Amen.

Each of our local parish schools, All Saints Catholic High, St Joseph the Worker and St Laurence's Primary schools are now back after their Summer breaks. I would like to again thank our three Head Teachers and Governors, children and families for all their efforts to keep schools open, despite higher local infection rates in school age children.

Congratulations to our students from All Saints Catholic High School for their recent national exam results. They have achieved their best results ever!

*Our **HOME-CHURCH-SCHOOL** links, each support and build up the parish family, as we recognise and celebrate being part of something bigger; the visible Body of Christ; the gathered community; this is what CHURCH is really all about- we are the People of God- mainly lay people, with religious, the deacons, priests, bishops, altogether across our archdiocese of Liverpool- making up part of the world-wide family of the Church, gathered by God the Father, under His Son, the Word of God and with the Holy Spirit joined with the Pope, in prayer.*

The Parish Newsletters can be found on the school websites each week:

During the coming months I will be looking for volunteers for various roles in the parish. After the restrictions of Covid and the changes that have affected so many parishioners, we will start afresh and look for expressions of interest, for people to respond to and then be considered, before commencing in these roles.

Across England the average Covid infection rate is rising, with 1 in 65 now carrying the virus to others. **Three injections now seem to protect most people from severe illness, including from the now multiple Omicron variants. However, a number of those who do get infected are re-infections, and Omicrons seems to be able to infect vaccinated people more easily than other earlier variants, but still affecting less severely those people who are fully vaccinated; all still then need to isolate and potentially have long covid symptoms and health consequences.** Numbers are still affecting hospitals, although the vaccination is working to reduce the severity of the cases for most people. Other variants will still develop. Fourth, boosters are now offered to the over 75s and those most vulnerable and to the over 50s from September. For some, the demands for A&E and beds will delay ambulances, clinics & operations and worsen the speed & level of treatment available. Larger crowds in-doors are still riskier. Public venue owners still legally need to operate safely. In these still unusual times, the Church building is still cautiously open: Masses, lighting of candles, silent prayer in benches before the Blessed Sacrament.

NOW it is still the time to continue to be **cautious**,
with people you don't normally mix with,
recognising those who are still more vulnerable.

Good ventilation if meeting inside

& Face-coverings again, in very crowded spaces, are both still advised.
Staying alert, ISOLATING if have symptoms, to break the chains to other people and protect the NHS from the additional pressures and save lives.

The Bishops' Independent Review of Safeguarding in England & Wales & the ICSA reports: The published national inquiry ICSA report into the crimes and sins of abuse across many organisations, including the Catholic Church, has highlighted historic cases over the last fifty years and recent examples. It and a separate report have recommended further reforms to the Church's safeguarding processes and to address the victims & survivors needs. All our bishops have accepted the recommendations and committed to constantly further improve safeguarding & support throughout the Church & society and this continues to be something that has to be continuously prioritised.

A new month and a month dedicated to Our Lady, Mary, the Mother of God. Public Rosary is said before the 11am Sunday Morning Mass each weekend, as we continue to pray for peace in Ukraine and throughout the world. A separate reminder, that our Church is open during most of the day, Monday to Saturday, 8am 'til 4pm, and later if there is evening Mass, (8am 'til 1pm Sundays) so please pop in to pay a visit to the Blessed Sacrament at the Tabernacle and to light candles. Also think about coming to a weekday Mass as well as a Sunday Mass, as another way of deepening devotion to the Word of God proclaimed and the Word made into Flesh, the Blessed Sacrament, Holy Communion.

Application forms to attend Catholic Schools~:

It is that time of year again when Primary Schools and High Schools application forms start to become available. Each school has its own admissions forms that must be completed and returned to each school. Parents ALSO need to complete Knowsley Council's on-line application forms for schools. The school admissions criteria, the geographical parish boundary families live within and whether a child is a baptised Catholic at the time of the Council deadline dates, are all important facts that families need to be aware of and ensure they comply with, to be considered by each schools' Governing Body, for a place for their child at any Catholic School.
