(Week 137 of Covid-19 UK guidance)

Prayer to the Holy Spirit

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.

O, God, who by the light of the Holy Spirit, did instruct the hearts of the faithful, grant that by the same Spirit we may be always truly wise and ever rejoice in His consolations,
Through Christ Our Lord, Amen.

Each of our local parish schools, All Saints Catholic High, St Joseph the Worker and St Laurence's Primary schools are now back from half-term breaks. I would like to again thank our three Head Teachers and Governors, children and families for all their efforts to build on the work & support that our partnerships continue to see as our children flourish.

Congratulations to our students from All Saints Catholic High School for their recent national exam results. They have achieved their best results ever!

*Our **HOME-CHURCH-SCHOOL** links, each support and build up the parish family, as we recognise and celebrate being part of something bigger; the visible Body of Christ; the gathered community; this is what CHURCH is really all about- we are the People of God- mainly lay people, with religious, the deacons, priests, bishops, altogether across our archdiocese of Liverpool- making up part of the world-wide family of the Church, gathered by God the Father, under His Son, the Word of God and with the Holy Spirit joined with the Pope, in prayer.*

The Parish Newsletters can be found on the school websites each week:

Across England the average Covid infection rate is rising, with 1 in 30 now carrying the virus to others. **On-going booster injections seem to protect most people from severe illness, including from the now multiple Omicron variants. However, a number of those who do get infected are re-infections, and Omicrons seem to be able to infect vaccinated people, but still affecting those people who are fully vaccinated less severely; all still then need to isolate if infected and all potentially have long covid symptoms and health consequences.** Numbers are still affecting hospitals, although the vaccination is working to reduce the severity of the cases for most people. Other variants will still develop. Fourth, boosters are now offered to the over 50s and those most vulnerable. For some, the demands for A&E and beds will delay ambulances, clinics & operations and worsen the speed & level of treatment available. Larger crowds in-doors are still riskier, as is mixing with the elderly whilst infected. Public venue owners still legally need to operate safely. In these still unusual times, the Church building is still open: Masses, lighting of candles, silent prayer in benches before the Blessed Sacrament. ***Some may still wish to continue to wear face masks in Church.***

NOW it is still the time to continue to be **cautious**,
with people you don't normally mix with,
especially with those who are elderly and those more vulnerable.
Good ventilation if meeting inside & Face-coverings,
are both still advised with the elderly & most vulnerable.

Staying alert, ISOLATING if have symptoms, to break the chains to other people and protect the NHS from the additional pressures and save lives.

The Bishops' Independent Review of Safeguarding in England & Wales & the ICSA reports: The published national inquiry ICSA report into the crimes and sins of abuse across many organisations, including the Catholic Church, has highlighted historic cases over the last fifty years and recent examples. It and a separate report have recommended further reforms to the Church's safeguarding processes and to address the victims & survivors needs. All our bishops have accepted the recommendations and committed to constantly further improve safeguarding & support throughout the Church & society and this continues to be something that has to be continuously prioritised.

A new month begins this week with 'All Hallows' Evening', Monday night's vigil, marking the start of a month when we particularly pray for all the dead- all the Saints, 'All Hallows'; the 'Holy Souls', the faithful departed awaiting being ready to meet the Lord face-to-face; the War dead, REMEMBRANCE, with all that significance; the parish dead whose funerals have been celebrated here this last twelve months and indeed, all the dead who we remember and pray for and with. Extra Masses are celebrated this week to give parishioners opportunity to gather to pray during the days or evenings; there will also be the annual Mass for the parish dead on Thursday 10th November 7pm, whose families have already been invited to attend to light candles and have their names read out during that Mass. I will also do similarly at all the All Saints and All Souls Day Masses so the parish can remember these and all our dead. Please come along to these special occasions that flow from the real Christian meaning of Hallow-e'en.

Application forms to attend Catholic Schools~:

It is that time of year again when Primary Schools and High Schools application forms start to become available. Each school has its own admissions forms that must be completed and returned to each school. Parents ALSO need to complete Knowsley Council's on-line application form for schools. The school admissions criteria, the geographical parish boundary families live within and whether a child is a baptised Catholic at the time of the Council deadline dates, are all important facts that families need to be aware of and ensure they comply with, to be considered by each schools' Governing Body, for a place for their child at any Catholic School.
