Prayer to God the Holy Spirit

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.

O, God, who by the light of the Holy Spirit, did instruct the hearts of the faithful, grant that by the same Spirit, we may be always truly wise, and rejoice in His consolations, Through Christ Our Lord, Amen.

Each of our local parish schools, All Saints Catholic High, St Joseph the Worker and St Laurence's Primary schools are working well after their recent break. I would like to again thank our three Head Teachers and Governors, children and families for all their efforts to build on the work & support that our partnerships continue to see as our children flourish.

Children and their families preparing for their next sacraments are invited EVERY week and now need to be at Mass: Friday evening, OR Saturday AM/PM, OR Sunday AM, weekend Masses, as part of the family-catechesis 'Living-out' of the faith, if they are to be prepared and ready for the sacraments.

Our HOME-CHURCH-SCHOOL links, each support and build up the parish family, as we recognise and celebrate being part of something bigger; the visible Body of Christ; the gathered community; this is what CHURCH is really all about- we are the People of God- mainly lay people, with religious, the deacons, priests, bishops, altogether across our archdiocese of Liverpool- making up part of the world-wide family of the Church, gathered by God the Father, under His Son, the Word of God and with the Holy Spirit joined with the Pope, in prayer.

The Parish Newsletters can be found on the school websites each week: St Joseph the Worker Primary School, or St Laurence's Primary School, under 'Our Catholic Life' or 'Our Faith' sections

Application forms to attend Catholic Schools~: Each Primary school has its own admissions forms that must be completed and returned to each school. Parents ALSO needed to complete Knowsley Council's on-line application form for schools by **15th Jan**. The school admissions criteria, the geographical parish boundary families live within and whether a child is a baptised Catholic at the time of the Council deadline date, are all important facts that families need to be aware of and ensure they comply with, to be considered by each schools' Governing Body, for a place for their child at any Catholic School. Anyone Parent who is now late completing the schools or Council forms, need to contact them to discuss their next steps.

Across England the average Covid infection rate is 1 in 20 now carrying the virus to others. **On-going booster injections seem to protect most people from severe illness, including from the now multiple Omicron variants. This year's Flu outbreaks are also rising.** Numbers of both infections are now affecting hospitals, although the vaccinations are working to reduce the severity of the cases for most people. For some time, the demands for A&E and beds will delay ambulances, clinics & operations and worsen the speed & level of treatment available. Larger crowds in-doors are still riskier, as is mixing with the elderly & those most vulnerable whilst infected. In these still unusual times, the Church building is still open: Masses, lighting of candles, silent prayer in benches before the Blessed Sacrament.

Some may still wish to continue to wear face masks in Church.

The Bishops' Independent Review of Safeguarding in England & Wales & the ICSA reports: The published national inquiry ICSA report into the crimes and sins of abuse across many organisations, including the Catholic Church, has highlighted historic cases over the last fifty years and recent examples. It and a separate report have recommended further reforms to the Church's safeguarding processes and to address the victims & survivors needs. All our bishops have accepted the recommendations and committed to constantly further improve safeguarding & support throughout Church & society and this continues to be something that has to be continuously prioritised.

With Covid guidance still in place for visiting the elderly and vulnerable and with the need for Eucharistic Ministers to have their DBS checks renewed, we currently cannot normally provide communion visits at home. If a parishioner is ill in hospital, please ask family to inform nursing staff that they are Catholic and wish to be seen by a Catholic Chaplain on their ward.

If parishioners are sick at home and their condition is likely to get worse, please telephone the presbytery and Fr Sean will arrange a visit for the Sacrament of the Sick and Holy Communion.

Fr Sean is the Catholic Chaplain to Alder Hey Children's Hospital.

Any family of Year 8 parishioners who would like their child to receive the **Sacrament of Confirmation**. Please Register at: Liverpoolcalled.co.uk

A WARM WELCOME to everyone at Mass this week. After all the preparation weeks of Advent, we then had a twelve-day season; and now more and more time to celebrate the season of Christmastide, to His Baptism and complete the 40-day season up to the 2nd February in many European Countries! A forty-day season of Christmastide! Don't pack everything away too soon! Keep the cribs up at least! Continue to celebrate the season! The gift of God that keeps on giving! There are regular morning and evening weekday Masses; **Please** do try to make extra efforts to get to one or two weekday Masses too, to grab these 30 minutes of peace and build them into your weekly pattern. We continue to reflect on why we are doing all this- it is all about the baby, Jesus, our Saviour; also, to reflect upon who/what is truly important in our lives here on earth, as we still wait for the future return of Jesus from Heaven, & the resurrection of the dead, and wait to fully bring His kingdom of peace and justice here on earth. **FR SEAN**
