Prayer to God the Holy Spirit

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And You shall renew the face of the earth.
O, God, who by the light of the Holy Spirit, did instruct the hearts of the faithful, grant that by the same Spirit,
we may be always truly wise,
and rejoice in His consolations,
Through Christ Our Lord, Amen.

All our local parish schools, All Saints Catholic High, St Joseph the Worker and St Laurence's Primary are officially 'GOOD' schools after OFSTED inspection.

I would like to again thank our three Head Teachers and Governors, children and families, for all their efforts to build on the work & support that our partnerships continue to see, as our children flourish.

Children and their families preparing for their next sacraments are invited EVERY week and now need to be at weekend Masses as part of the family-catechesis 'Living-out' of the faith, if they are to be prepared and ready for the sacraments. Provisional dates have been sent by letter to those parents who have attended the meetings and given proof of baptism and who have returned the application forms from the parents' meetings.

Any queries please e-mail Parish address.

Any family of Year 8 parishioners who would like their child to receive the **Sacrament of Confirmation**. Please Register at: Liverpoolcalled.co.uk

Our HOME-CHURCH-SCHOOL links, each support and build up the parish family, as we recognise and celebrate being part of something bigger; the visible Body of Christ; the gathered community; this is what CHURCH is really all about- we are the People of God- mainly lay people, with religious, the deacons, priests, bishops, altogether across our archdiocese of Liverpool- making up part of the world-wide family of the Church, gathered by God the Father, under His Son, the Word of God and with the Holy Spirit joined with the Pope, in prayer.

Across England the average Covid infection rate is still rising 1 in 40 now carrying the virus to others. **On-going booster injections seem to protect most people from severe illness, including from the now multiple Omicron variants. This year's Flu outbreaks are also rising.** Numbers of both infections are now affecting hospitals, although the vaccinations are working to reduce the severity of the cases for most people. For some time, the demands for A&E and beds will delay ambulances, clinics & operations and worsen the speed & level of treatment available. 1 in 30 are suffering from long-covid conditions after being infected by the virus. Larger crowds in-doors are still riskier, as is mixing with the elderly & those most vulnerable whilst infected. In these still unusual times, the Church building is still open: Masses, silent prayer in benches before the Blessed Sacrament.

Some may still wish to continue to wear face masks in Church.

The Bishops' Independent Review of Safeguarding in England & Wales & the ICOSA reports: The published national inquiry ICOSA report into the crimes and sins of abuse across many organisations, including the Catholic Church, has highlighted historic cases over the last fifty years and recent examples. It and a separate report have recommended further reforms to the Church's safeguarding processes and to address the victims & survivors needs. All our bishops have accepted the recommendations and committed to constantly further improve safeguarding & support throughout Church & society and this continues to be something that has to be continuously prioritised.

With Covid guidance still in place for visiting the elderly and vulnerable and with the need for Eucharistic Ministers to have their DBS checks renewed, we currently cannot normally provide communion visits at home. If a parishioner is ill in hospital, please ask family to inform nursing staff that they are Catholic and wish to be seen by a Catholic Chaplain on their ward.

If parishioners are sick at home and their condition is likely to get worse, please telephone the presbytery and Fr Sean will arrange a visit for the Sacrament of the Sick and Holy Communion.

Fr Sean is the Catholic Chaplain to Alder Hey Children's Hospital.

The central heating is on in church two hours before each Mass or service each day, so anyone is welcome to come to sit in Church at those times, to be 'warm and cosy' here then, as well as during and after Masses.

A **WARM WELCOME** to everyone at Mass this week. The gift of God keeps on giving! God's WORD and the gift of Jesus' Body & Blood, Holy Communion, each give us strength to live our lives each day with Faith, Hope & Love. **HOLY WEEK** sees the dramatic final days of Jesus life here on earth commemorated. Please try to come to each of the the beautiful services and Masses this coming week. As we know, 'giving up X for Lent' is part of the training for life that can help re-focus our minds and hearts, BUT Lent is **also** about positively choosing to be more; focusing more on God, as the reason for the seasonal efforts:- Church is open every day for private prayer; there are Monday night & Friday morning Stations of the Cross; there are morning and evening Masses here and at St Michael & All Angles Church, Westvale; daily prayer books and reading material for use at home. It might become a controversial thing to say in our day, but we are to find time and prioritise bible-inspired actions that are just, for 'the poor, the widow, the orphan & the stranger', all people in greatest need....., **as well as finding time for the Lord in Church too.**
