

### St Joseph the Worker

The aim for our children when they leave us is to be confident young scientists, who recognise the value of science in everyday life. We aim to equip them with the scientific knowledge and skills to progress further in the future.

## We are all scientists!

Understand how and why things occur.

Opportunities to observe, question and experiment.

Use enquiry skills.

Learn about scientists that have helped to shape our understanding of the world.

Understand and use scientific vocabulary.
