

St Joseph the Worker Catholic Primary School

Relationship and Sex Education Policy

**“A loving Christian family, striving to
achieve excellence.”**

Mission Statement

We are “A loving Christian family, striving to achieve excellence”.

Rationale

“I have come that you might have life and have it to the full,” (John 10:10).

Introduction

At St Joseph the Worker Catholic Primary School we acknowledge that Personal, Social and Health Education (PSHE) as well as Relationship and Sex Education (RSE) are underpinned by a theology of relationship education and are all encompassed in the title Relationship and Sex Education (RSE).

Our belief is the unique dignity of the human person as made in the image and likeness of God underpins the approach to all education in our school. Our approach to relationships and sex education therefore is rooted in the Catholic Church’s teaching of the human person and is presented positively and prudently. Stemming from this vision of what it means to be human, we seek to educate the whole child: spiritually, intellectually, morally, emotionally, psychologically and physically towards our understanding of Christian maturity.

Following guidance from our own Bishop and Diocese, the Conference of Bishops of England and Wales and as advocated by the DFE, all relationship and sex education in our school will be firmly embedded in the Religious Education framework as it is concerned primarily with nurturing the human wholeness of our pupils.

All relationship and sex education will be in accordance with the Church’s moral teaching. It will emphasise the central importance of marriage and the family whilst acknowledging that all pupils have a fundamental right to have their life respected whatever household they come from and support will be provided to help pupils deal with different sets of values.

Aims of Relationship and Sex Education (RSE)

- To encourage pupils’ growth in self respect, acknowledging we are all created in the image and likeness of God
- To help pupils develop an understanding that love is the central basis of a relationship
- To help pupils to understand the nature of relationships and to encourage them to reflection their own relationship and respect differences between people
- To develop pupils’ confidence in talking, listening and thinking about feelings and relationships

- To help pupils acquire the skills necessary to develop and sustain relationships
- To offer sex education in the wider context of relationships
- To ensure that pupils protect themselves and ask for help and support then when needed
- To ensure that pupils are prepared for puberty
- To help pupils to develop a healthier, safer lifestyle
- To prepare pupils to play an active role as citizens and to understand the Catholic vision of what it means to be citizens of the Kingdom/ reign of God.

The Purpose

The aims of Relationship, Sex and Health Education (RSHE) at All Saints Catholic Primary School are to:

- Provide a framework in which sensitive discussions can take place.
- Help pupils develop feelings of dignity, self-worth, self-respect, confidence and empathy.
- Prepare pupils for puberty and give them an understanding of sexual development and the importance of health and hygiene.
- Create a positive culture around issues of sexuality and relationships.
- Teach pupils the correct vocabulary to describe themselves and their bodies.

Statutory Requirements

At St Joseph the Worker Catholic Primary School, we must provide Relationships Education to all pupils as per section 34 of the Children and Social work act 2017.

In teaching Relationship and Sex Education, we must have regard to Catholic Education Service guidance issued by the Bishops Conference of England and Wales 2017.

The statutory guidance from the Department for Education issued under Section 80A of the Education Act 2002 and section 403 of the Education Act 1996 Appendix A

The statutory guidance from the Department for Education Equality Act 2010.

Delivery of Relationship, Sex and Health Education (RSHE)

Relationship and Sex Education (RSE) is taught both discretely and within the Personal, Social and Health Education (PSHE) curriculum lessons. Some aspects of the RSHE curriculum may be touched upon in other lessons as it shares links with Religious Education, Science and Physical Education.

Our RSHE will ensure that content is relevant to the age, experience and maturity of pupils.

The new statutory guidance for Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me.
- Caring friendships.
- Respectful relationships.
- Online relationships.

- Being safe.

These areas of learning are taught within the context of 'family life' and could include married or single parent families, same sex parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures, along with reflecting sensitively that some children may have a support structure around them (for example: looked after children or young carers).

As a school, we promote equality of opportunity and foster good relations. Our school environment uniformly applies values of inclusion and respect to all pupils and their families. All staff are proactive in promoting positive relationships and receive regular training.

Equal Opportunities

All pupils have access to the RSHE curriculum. Where pupils have specific educational needs, arrangements for support from outside agencies and support staff are made to ensure these pupils have an appropriate, differentiated curriculum.

Roles and Responsibility

The Governing Body

The governing body will approve the RSHE policy and hold the headteacher to account for its implementation.

The Headteacher

The headteacher is responsible for ensuring that RSHE is taught consistently across the school and for managing requests to withdraw pupils from the non-statutory element of Relationship and Sex Education in Year 6* (see right of withdrawal)

Staff

Staff do not have the right to opt out of teaching RSHE as this forms part of the Teaching Standards. Any staff who have concerns about teaching RSHE are encouraged to discuss this with the headteacher.

Staff are responsible for:

- Delivering RSHE in a sensitive way which complies with Church teaching.
- Modelling positive attitudes to RSHE.
- Monitoring progress.
- Responding to the needs of individual pupils.
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE.

Pupils

Pupils are expected to engage fully in RSHE and, when discussing issues related to RSHE, treat others with dignity, respect and sensitivity.

The role of the parent/carer

The Church has always recognised that it is the privilege and the responsibility of parents to educate and inform their children in all matters pertaining to personal growth and development particularly in the sensitive area of their moral education and sexual development. The Church also recognises that many parents require help and support in this task from both schools and parishes.

The Governing Body fully subscribes to the views expressed by the Bishop's Conference and will always ensure that:

- Parents and carers are supported in their task
- Parents and carers consulted and kept informed of the Programme; its contents, evaluation and review and any subsequent developments.

Parents' right to withdraw

Parents have the right to withdraw their children from the non-statutory component of sex education in Year 6. This is where sexual intercourse is taught discretely as part of the Physical aspect within Journey In Love the Archdiocesan recommended resource.

Requests for withdrawal should be made in writing and addressed to the headteacher. The headteacher will discuss the request with parents and take appropriate action.

Alternative work will be given to pupils who are withdrawn from RSE.

Parents do not have the right to withdraw their children from Statutory Relationships Education as set out in the DFE guidance 2020.

Monitoring arrangements

The delivery of RSHE is monitored by RSE/PSHE lead, RE lead and headteacher by undertaking learning walks, staff and pupil consultations, planning and work scrutinies and questionnaires.

Pupils' development in RSE is monitored by class teachers as part of our internal informal assessment systems.

This policy will be agreed annually by the governors and reviewed every three years.

Safeguarding Procedures

The school has procedures to deal with any sensitive issues or children thought to be vulnerable. Staff will pass on any concerns of this nature to the Designated Safeguarding Officer.

Appendix 2

Come and See and
Relationship and Sex Education

Introduction

The following is intended as a guide for linking Relationship and Sex Education with Come and See. Some of these aspects might be covered in the EXPLORE section where the topic is being introduced, starting with the pupil's own experience, and extending into the REVEAL and RESPOND sections. Some ideas may be used in the REVEAL process where the teaching is explicitly concerned with Scripture and the teaching of the Church. Some topics offer more explicit teaching to develop ideas about Relationship and Sex Education, some less so.

Another way of using this section is when teaching Religious Education which occurs in other aspects of the curriculum e.g. Science, P.E, PSHE etc.

Appendix 3

Statutory Science Curriculum

Early Years Foundation Stage children learn about life cycles. Through on-going personal, social and emotional development they develop the skills to form relationships and think about relationships with others.

In Key Stage 1 children learn:

- That animals, including humans, move, feed, grow and use their senses and reproduce
- To recognise and compare the main external parts of the bodies of humans
- That humans and animals can reproduce offspring and these grow into adults
- To recognise similarities and differences between themselves and others
- To treat others with sensitivity

In Key Stage 2 children learn:

- That the life processes common to humans and other animals including nutrition, growth and reproduction
- About the main stages of the human life cycle

Appendix 4: RSHE, personal development, wellbeing and citizenship Overview

At St Joseph the Worker Catholic Primary School, the physical and emotional well-being of our children is a priority. We place a great deal of importance on RSHE, personal development, wellbeing and citizenship as a Catholic school and it is embedded in our ethos as defined in the Mission Statement and Aims of the school:

We nurture and educate our pupils in order to help them develop the knowledge, understanding and skills needed to live happy, healthy and successful lives, now and in the future. Central to our RSHE, personal development, wellbeing and citizenship teaching and learning is the promotion and nurturing of our pupils spiritual, moral, social and cultural development. These aspects of the curriculum are taught through a range of implicit and explicit learning opportunities and is embedded throughout the curriculum. Objectives are covered during discreet lessons using resources from the following:

- PSHE Association
- www.valuesmoneyandme.co.uk
- Journey in love
- A range of texts to teach The Equalities Act and celebrate difference and diversity across the curriculum (No Outsiders)
- CAFOD Resources
- First News
- St John's Ambulance – KS2 First Aid Pathway

Objectives are also covered across the curriculum e.g. Come and See, Science, English, History, Geography, Music, Art and PE. Whole school events such as assemblies, enrichment activities, trips and visits/visitors and Church services throughout the year also enhance this provision further. Throughout the year, whole school assemblies focus on each of the British Values as part of our ongoing exploration of our School Values. Many of these values are reinforced through our Religious Education programme, Come and See, and children have regular opportunities to explore them further through prayer and liturgy.

Statutory Guidance – Relationships Education, Relationships and Sex Education (RSE) and Health Education (2020)

Relationships Education

The focus in primary school should be on teaching the fundamental building blocks and characteristics of positive relationships, with particular reference to friendships, family relationships, and relationships with other children and with adults.

Physical health and mental wellbeing

The aim of teaching pupils about physical health and mental wellbeing is to give them the information that they need to make good decisions about their own health and wellbeing. It should enable them to recognise what is normal and what is an issue in themselves and others and, when issues arise, know how to seek support as early as possible from appropriate sources.

'All of these subjects should be set in the context of a wider whole-school approach to supporting pupils to be safe, happy and prepared for life beyond school.'
