

## **Religious Education in St Joseph the Worker Catholic Primary School**

Following Liverpool Archdiocese guidance, the mission of our Religious Education is to equip our children with the knowledge, understanding and skills to live a Catholic life by knowing and sharing in the love of Jesus.

We aim to develop our children's faith commitment and spirituality, appropriate to their age and capacity, ensuring they are religiously literate young people.

This year we are continuing our transition from using 'Come and See' as a scheme of work, to following the Religious Education Directory, 'To Know you more clearly,' as a model curriculum. In line with guidance from Liverpool Archdiocese, we are gradually implementing 'To know you more clearly,' Currently classes from Nursery through to Year 4 are accessing the RED curriculum with Y5 and Y6 due to start this academic year.

Religious Education Curriculum Class Overview 2024 - 2025
