## **A Journey in Love A Guide for Parents and Carers**

## **Aims of Relationship and Sex Education (RSE)**

- To encourage pupils' growth in self-respect, acknowledging we are all created in the image and likeness of God
- To help pupils develop an understanding that love is the central basis of relationships
- To help pupils to understand the nature of relationships and to encourage them to reflect on their own relationships and respect differences between people.
- To develop pupils' confidence in talking, listening and thinking about feelings and relationships.
- To help pupils acquire the skills necessary to develop and sustain relationships
- To offer sex education in the wider context of relationships.
- To ensure that pupils protect themselves and ask for help and support when needed.
- To ensure that pupils are prepared for puberty.
- To help pupils to develop a healthier, safer lifestyle.
- To prepare pupils to play an active role as citizens and to understand the Catholic vision of what it means to be citizens of the Kingdom of God.

Our Mission Statement places these aims and beliefs at the centre of all we hope to achieve.

At St Joseph's, our mission is:

**A Loving, Christian Family striving to achieve excellence.**

It is with this mission that we share this booklet with our parents and carers. We recognise parents as the first and most important educators of their children and we hope that the information provided here will enable us all to work together in supporting parents in their most important role.

At the heart of our mission as a school, and at the heart of our Relationships and Sex Education, is **love**.

God is love (1 John 4:9), and through our love for others, we link ourselves with God the Father, through Jesus Christ his Son, and through the Spirit.

The programme for Relationships and Sex Education which we have chosen to share at St Joseph's is called 'A Journey in Love'. This booklet for parents and carers outlines how the programme is organised and what is covered in each year group.

**A LOVING CHRISTIAN FAMILY STRIVING TO ACHIEVE EXCELLENCE**

#### How will we organise lessons for Journey in Love?

- Before the programme begins, ground rules are set with the children regarding the kind of positive behaviour expected of every child,
- All children and teachers treat each other with respect; all questions and answers are listened to in a sensitive and sensible manner,
- Any child who is silly, or disruptive and who deliberately attempts to embarrass or hurt another member of the group, will be asked to leave,
- All children will cover the same topics
- Lessons may include discussions, presentations, questions, written work, homework

#### What if a child asks a difficult question?

There are specific areas that we feel should not be discussed within the context of our school lessons, e.g. contraception, as we feel that our children are not yet emotionally mature to handle these issues. These are all topics which are dealt with at secondary school.

If a child does ask a question outside the scope of our programme, it will be dealt with in a sensitive and caring manner. We would always ask the child concerned to discuss the issue with their parents.

#### How can I help?

- By talking with your child at home
- By discussing their work after each lesson
- By listening to any concerns
- By reassuring your child that you are there if they need to talk about anything
- By helping with any homework activities

#### What if I don't feel that my child is ready for this programme of work?

We hope this booklet has given you a clear overview of the 'A Journey in Love' programme and what your child will be learning in each year group. If you feel your child may not be quite ready for any part of the programme, we encourage you to contact our Learning Mentor, Mrs Yates, to discuss your thoughts and any concerns. Our school operates an open-door policy, and we are always happy to have a conversation with parents.
